MEMORANDUM FOR : Chief, Security Section, Development Projects Division
 SUBJECT : CXCART Suppliers' Meeting, 19 January 1970

25X1A9a

1. [REDACTED] informs me that Mr. Bissell and Mr. Johnson of Lockheed have agreed to leave the next CXCART Suppliers' Meeting held in Boston, Massachusetts, on Tuesday, 19 January 1970.
2. I would like to request your office to select a suitable downtown location for a conference with the expectation that the group to be handled will be in the neighborhood of thirty people. This compares with approximately twenty-two who attended the conference in West Palm Beach this week.
3. Any location we select will necessarily be a compromise between convenience and absolute security, but if time permits a technical sweep of the location chosen, this would be desirable. In addition to a principal DPD Security Officer in attendance, I would like to suggest that someone from your staff be there to check the credentials of people attending in the manner we used to do when these meetings were held in hotel rooms in California three or four years ago. Will you let me know your reaction to the above as soon as possible.
